COMMUNICATION SKILLS
TEL: 0788453907/073324241799**

SENIOR SIX: MPC, MCB, MEG, PCM AND PCB

1. Find out the information or propaganda used to incite others to commit genocide in the following countries.
 - a. Rwanda
 - b) Germany
2. Comment on the view that leaders prepare the ground for genocide by using propaganda against those who are not on their side. Prior preparations and financing are done deliberately to commit acts of genocide.
3. Is GBV openly discussed in your community?
4. Explain the mechanisms used to fight GBV in your community.
5. Describe the reasons for ignorance or lack of adherence to laws related to GBV and Child Abuse in your community, if any.
6. Conduct research on how the state of Rwanda was formed.
7. Write a brief history of how Rwanda developed from a kingdom to the modern day state of Rwanda.
8. Explain how the Rwandan state has tried to promote its interests in Africa and the world.
9. 'I am proud to be a Rwandan citizen'. Comment on this statement.
10. Why do you think the Nazi blamed the Jews for all their problems?
11. Describe what used to happen to the Jews and other targeted groups in extermination camps.
12. Discuss the development of the Holocaust using the ten steps according to the continuum of violence developed by Gregory H. Stanton.
13. Was the international community in a position to stop the Holocaust from taking place?
14. Discuss why the international community and other nations took a long time to stop the Nazi from killing the Jews.

15. Explain measures taken by the international community to ensure genocide never takes place again in the world.
16. Identify actions taken by the Jews to keep the memory of the Holocaust and promote healing and reconciliation.
17. Comment on the Holocaust and identify lessons learnt from it.
18. Assess the similarities and differences in the occurrence of the two genocides we have discussed (Holocaust and Genocide against the Tutsi).
19. Was the international community's response similar in the two genocides above? Give reasons for your opinions.
20. In your own opinion, what brings about hatred among groups of people living together in a country?
21. Discuss the types of Human Rights that were violated during the Genocide against the Tutsi in Rwanda.
22. Explain the consequences of violation of Human Rights during the genocide.
23. Identify steps taken by the government and society to support vulnerable survivors of the genocide.
